# Celebration in the Pines

**Women Together Retreat October 21-23, 2011**

**Camp de Benneville Pines, Big Bear, CA**

## About Women Together:

*Women Together* is a place where women of diverse ages, backgrounds, and spiritual experiences can unite and share in community. We support each other through expressions of joy, worship, intellect, concern, art, music, and mutual respect. By collaborating with each other we create a unique avenue for education, shared trust, growth and exploration into the divine within us all.

## Retreat Theme:

Exploration and growth! Celebration of body and soul and mind! Joy for our blessings. It is easy to get caught up the troubles of the world. This weekend we will leave the world at the bottom of the mountain. We will celebrate that which draws us closer together and that which makes us unique. Each year we have a silent auction that benefits our scholarship fund. Bring a gently used book, accessory, jewelry or other lovely item for the auction. **Be sure and bring money for the auction and group photo.**

## Retreat Logistics:

**Soup and salad dinner will be served in the dining hall on Friday at 6:30 P.M. Please arrange for your own dinner if you will not arrive by 6:30. The grazing table will only have snacks and not be available until Saturday. Please note that Camp DeBenneville has hills, some rough terrain, and all sleeping arrangements are dorm style.**

Please let us know if you have any special needs by completing and returning this form with your registration.
