

FINISHING TOUCHES WISH LIST

For The Welcome Center of First Unitarian Universalist Church of San Diego

Our new Welcome Center has a 2,100 square feet community meeting space. There is also a dedicated volunteer workspace, a lounge, a library, additional meeting rooms, offices, unisex restrooms and a professional kitchen. The landscape design for our new campus removes mobility barriers; there is one gentle slope for all—foot, wheelchair, stroller and walker. Time now has come to furnish this wonderful new building and outfit our new kitchen. All levels of generosity can make this happen.

Everyone who contributes to our **Finishing Touches Wish List** will have his or her name on a handwritten calligraphy work, framed and hung in our new Welcome Center.

We can only accept cash, check or credit card donations. Please do not purchase items for donation.

There are many ways to contribute to the First Unitarian Universalist Church of San Diego's Wish List for our Finishing Touches Drive. You can donate by cash, check or credit card.

You can give towards our priority kitchen needs.

You can give towards anything on this wish list, in order of need.

You can give for a specific purpose, all of which are listed below.

You can fill out a wish list donation form (on the last page) and turn that in with a check, or credit card information or, you can use your credit card and log onto the homepage of our website www.firstuusandiego.org and click the Donate button. For additional information, please contact Robie Evans, Director of Operations at 619-298-9978 extension 203 or email robie@firstuusandiego.org
