Create community, nurture spiritual growth, heal the world.
Crear comunidad, fomentar el crecimiento espiritual, sanar el mundo.

“Religion is the result of our search for meaning. We look out on life and in on ourselves, and that act gives rise to religion, which is a way of connecting ourselves to the mystery of what is beyond ourselves, however we define it.”

“La religión es el resultado de nuestra búsqueda de sentido. Miramos a la vida y a nosotros mismos, y ese acto da forma a la religión, la cual es una manera de conectarnos con el misterio de lo que está más allá de nosotros, como sea que lo definamos.”
