

UU Men's Fellowship Fall Renewal

Friday, October 29, 2021 to Sunday, October 31, 2021

Registration is now open for Our Fall Renewal scheduled for [Camp deBenneville Pines](#) October 29 to 31 with an option to arrive early on Thursday, October 28. Attendance will be limited to 65 to provide more space in the cabins (and allow lower bunks for all). It is required that all will have had their full Covid-19 vaccinations completed prior to October 7, 2021 and be free of signs or symptoms of new infection such as elevated temperature, loss of appetite, malaise, or be exposed to others with such.

The Camp has worked hard to have everything ready after the Covid Crisis, the mud slides, and the cleaning of all the Cabins. We will observe all State, County, and National Forest recommendations and regulations, and so may be subject to change as we near the time. The number of campers will be decreased so that there is no crowding in any one cabin and social distancing can be observed. We aspire to be flexible for camper to determine their own comfort/risk level: **Red**: mask and social distancing at all times except eating; **Yellow**: masks optional in well ventilated or outside, masks on in close indoor setting, or if in contact with a brother wearing red band all with social distancing; **Green**: Masks optional except in closed settings or in connection with a red band, social distancing relaxed, but not direct contact. No one will be pressured or shamed to choose one choice. All will be honored

Not only will the number of campers be decreased, but the number of staff may be decreased so that we may have to fill in for some staff functions. Our schedule will be informal and flexible. Still, we will have plenty of time to share with our brothers in a way for which we all long. There will be an option to arrive Thursday evening so that we can adjust more slowly and to work on camp projects.

The \$200 fee this year includes all meals and lodging and must be paid by check or money draft when the registration is submitted. Checks will not be cashed until after camp is completed so that if it is necessary to cancel the Renewal due to new Covid 19 restrictions or personal illness, registration checks can be returned or voided and destroyed.

The Men's Fellowship Renewals offer a safe place in which we, as brothers, can be open to the issues that challenge us to the core of who we are and help us to begin the process of exploring them. In small supportive kinship group setting, we will share confidentially and in a non-judgmentally manner. We welcome our sometimes-raw emotions and self-aware laughter at our foibles. In addition, there will be time for music and singing, hot tub and hiking, drumming and ritual, conversation and renewing friendships, and meditation and quiet time.

Please download and review the following. The Registration form, Covid Release, and Emergency/Health Info should be completed, printed, and mailed along with a check or money order to Men's Renewal, First UU San Diego, 4190 Front Str., San Diego CA 92103
