### **Special Accommodations/Room Sharing**

We believe it is important that housing practices meet the needs of campers and create an inclusive, nurturing environment for all. It is our goal to provide an affirming, safe and non-discriminatory camping experience that is welcoming to campers of all ages, abilities, sexual orientations, and gender identities (both transgender and cisgender). If you have any special needs or requests with regard to cabin assignments (i.e. accessibility needs, specific cabin mates, roommates with the same gender identity, other non-binary roommates, etc.), please let us know in the space provided here. Also, please refer to the camp brochure for more information about the housing and food at camp to ensure that you'll have everything you need to be healthy, safe and comfortable. If you have any questions about accommodations at camp, please feel free to email Tony Bianca ([tony@firstuusandiego.org](mailto:tony@firstuusandiego.org))

**We cannot guarantee that the pool and hot tub will be operational.**
