Centering Thought

For several years now, religious liberals have expressed a sense of unease in various ways. They are increasingly confronted with the tensions inherent in their chosen tradition, tensions that often are just below the surface. Sometimes these tensions emerge as people become aware of competing liberal values, which if not exactly contradictory, often pull us in more than one direction at once.

A recurring example is the deep commitment to individual freedom, which can easily run up against a longing for a greater sense of community, perhaps even a desire or more guidance from or even accountability to a larger group.

Church Hymn

From all who dwell below the skies,
Let faith and hope with love arise,
Let beauty, truth, and good be sung,
Through ev'ry land, by ev'ry tongue.

De todos bajo el gran sol,
Surja esperanza, fe, amor
Verdad y belleza cantando,
De cada tierra, cada voz.

Church Aspiration

May love be the spirit of this church,
May the quest for truth be its sacrament,
And service be its prayer
To dwell together in peace,
To seek knowledge in freedom,
And to help one another in fellowship,
This is our Aspiration.

Que el amor sea la doctrina de esta iglesia, la búsqueda de la verdad su sacramento, y el servicio su oración.
Vivir juntos en paz, buscar la verdad con libertad, y ayudarnos mutuamente en comunidad, a eso aspiramos.

Our Affirmation

We are Unitarian Universalists, a people of open minds, loving hearts, and welcoming hands.

Somos Unitarios Universalistas, personas de mentes abiertas, corazones amorosos, y manos que dan la bienvenida.
