

2017-18 FIRST UU CHURCH ANNUAL REPORT

April 11, 2018

The Annual Report is an important document published by the church that presents all the activities and programs that our congregation is engaged in. It is a glimpse into the way in which we create community, nurture spiritual growth and act on our values to help heal the world. Please click [here](#) for a peek at last year's report for inspiration!

The annual report will be released at our annual meeting on June 10th. This report will primarily be distributed electronically. Some hard copies of the report will be available for people to pick up at the annual meeting.

The format of this document will again reflect our ministry team structure. Kathleen believes the primary focus of each group's report needs to be based on the goals of the church's Strategic Plan.

- **Goal 1.** Provide bold and engaging worship and programs to meet the spiritual needs of a diverse, intergenerational and multicultural community.
- **Goal 2.** Challenge systemic oppression to transform San Diego into a region that is more just, equitable and compassionate.
- **Goal 3.** Raise our individual and collective awareness in order to identify and remove cultural, physical, and attitudinal barriers to full participation in our congregation.
- **Goal 4.** Intentionally engage all generations in leadership development.

Each Ministry Team should limit itself to one page and each action group should also aim for 1-2 pages.

Included here on page 2 is a report template; please follow this format. One or two digital photographs may be submitted. **All reports and photographs must be submitted electronically to Robie no later than 6pm on Friday, May 18, 2018. Anything arriving after that time will not get into the report.**

Ministry Team leaders are asked to take the responsibility of informing and inviting each group within their Team to participate in the 2018 Annual Report. Please remember to notify ALL affiliates and committee under your ministry team, such as LGT, memorial wall, etc.

Thank you,

Robie Evans (robie@firstuusandiego.org)
