

The Condor and the Eagle

On Thursday, July 16 at 5:30, please join with UU congregants from around the U.S. to watch the award-winning documentary *The Condor & The Eagle*, in English and Spanish with subtitles.

Four Indigenous environmental leaders embark on an extraordinary trans-continental adventure from the Canadian plains to deep into the heart of the Amazonian jungle to unite the peoples of North and South America and deepen the meaning of “Climate Justice”. The documentary offers a glimpse into a developing spiritual renaissance as the film’s four protagonists learn from each other’s long legacies of resistance to colonialism and its extractive economy. Their path through the jungle takes them on an unexpectedly challenging and liberating journey, which will forever change their attachment to the Earth and one another.

Spanish translation is provided for Q&A following the film. There is a suggested \$1-100 sliding scale donation (avg. \$25), benefitting the UU Ministry for the Earth & partnerships with Indigenous-led climate justice campaigns. All are welcome regardless of ability to donate; please give generously if you’re able: [DONATE HERE](#) by pressing on Control and clicking to follow the link.
