## Our Seven Principles

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

3. Acceptance of one another, and encouragement to spiritual growth in our congregations;
4. A free and responsible search for truth and meaning;
5. The right of conscience, and the use of the democratic process within our congregations and in society at large;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part.

### FUUSD Reopening Team Update: April, 2021

Your team studying how to safely resume in-person activities at church realizes full well how anxious everyone is to return. The team continues to look at government regulations, agency guidelines and scientific details. *Much care lies behind any recommendations.*

Our recommended approach to resuming in-person gatherings starts with the lowest risks, namely, small groups in outdoor settings. Provided certain precautions are observed, meetings of this type may resume at a date we will soon designate.

Our specifications:

- Only outdoor meetings on campus to start with (not higher-risk indoor ones).
- Small groups only, up to 12 persons (not higher-risk larger ones).
- Established First UU Church groups only (no outside groups).
- Youth groups will not be permitted to meet at first (due to low likelihood of vaccinations).
- A clearly identified group leader will be responsible to know and enforce precautions.
- Those who meet will need to wear masks at all times and observe social distancing.
- No singing, food or drink will be permitted (to minimize chances of spreading the virus).
- Bathroom occupancy (like elevator occupancy) will be limited to one person at a time.
- Meetings will have to be scheduled in advance, designating the size, leader, purpose, etc.
- Clustering and/or limiting meetings to certain days of the week will be a consideration.
- Participants will have to sign in, and pass an honest-answer health-check questionnaire.
- These good-faith questionnaires will be administered by the group's leader.

Further considerations:

- Vaccinations won't be absolutely required but are strongly recommended.
- Vaccinations benefit individuals and support the greater good of the church community.
- Hybrid meetings (in-person outdoors plus on-line access) may be quite difficult.
- While wi-fi access is available on campus all other equipment is a group's responsibility.
- Each group should consider how best to accommodate all who might want to participate.
- There may be some logistical matters about tables and chairs for a group to consider.
- Surfaces will be cleaned but contamination concerns have diminished among experts.

Interested small groups will need to identify themselves sooner rather than later so that the magnitude and general types of interest are known as these guidelines continue to evolve.

If your group will want to meet under the stated conditions please notify **Robie Evans** of your group's name, leader, size and general purpose, so we understand what interest is out there. Later on, **Rose Riedel** is the scheduler you'll need to be in touch with about a specific time and place.

The reopening team will gain knowledge from the small outdoor meetings, helping to set us on a path toward our eventual goal of indoor worship services.

*Air circulation factors and air filtering options will remain a top priority as we move toward any consideration of indoor gatherings.*

### Needing Your Help

We are looking for volunteers who can help with Spanish captioning in our worship services. This is a 'behind the scenes/camera' way to support our worship services. Volunteers need to be able to speak and/or read Spanish and be comfortable with cutting and pasting text from one computer screen to another. The time needed for this is approximately four hours on a Saturday, with some of the time creating the word document and then meeting with the worship team to record the service, from 10:45 am — 12:45 pm. Tony Bianca can help train you. Please email Tony ([Tony@firstuusandiego.org](mailto:Tony@firstuusandiego.org)) if you are interested in learning more or volunteering. Thank you!

We've been offering 1-on-1 time to our children and would like to extend that invitation to our parents as well! Some of us have been engaged in an "Empathy Buddy" process as a part of a Restorative Justice Workshop. In this process, adults meet to practice active listening and show empathy toward each other. Many who have participated have reported that they appreciated 30 minutes each week when they could talk to another adult and feel heard. ### Still Scamming!

Please be aware that this is still happening - even nationwide at our other UU churches. Especially during these tender times, folks are scamming church members in order to get gift cards purchased and sent to them. And, there's nothing we can do about it except warn you and educate you. **Never respond to any church member, staff or minister unless it comes from a valid church email, i.e. staffname@firstuusandiego.org. We do not use gmail accounts for our official church staff business.** The following is an example of the latest email scam going around. **No minister or staff member will ever reach out for help in this way!** Please be careful out there, stay safe, wear a mask when going out and wash your hands frequently!
