4. A free and responsible search for truth and meaning;
5. The right of conscience, and the use of the democratic process within our congregations and in society at large;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part;
8. Building a diverse multicultural Beloved Community by our actions that accountably dismantle racism and oppressions.

Update from Your Reopening Team

Hello Friends! As more and more venues open up for in-person gatherings, many of us have begun to see and experience a wide spectrum of policies put in place by different institutions. Some spaces have lifted mask mandates altogether, while others are requiring masks along with proof of vaccination and a valid ID. It's only natural, therefore, that some would look at the policies put in place by other institutions and wonder: Should we...?

In response to those kinds of questions that have been asked in recent weeks, the Reopening Team would like to take this opportunity to reiterate our policy at First UU and share some of the considerations and thinking that went into the policy decisions we've made.

As you know, our campus is currently open for in-person gatherings, but those gatherings are limited to outdoor events where people are expected to maintain social distance and to wear masks covering their nose and mouth. Additionally, all attendees are required either to pre-register online or to sign in when they arrive. This allows us to both anticipate and limit the number of people in attendance (currently, we can only accommodate a maximum of 140 people safely), and also give us a record of those in attendance should contact tracing become necessary.

The most frequent question we've been asked is "Why aren't we requiring proof of vaccination?" The answer to that question is multifaceted. We've always maintained that "church" is a public experience, so

requiring some sort of "proof" for entry seemed, in a general way, contrary to the nature of worship. "But," you might rightly claim, "desperate times call for desperate measures." And, to be sure, there is some validity in that approach and many institutions (including other UU Churches) have, indeed, taken this approach. Let us explain why we've decided not to require proof of vaccination at this time.

First, there is concern that requiring proof of vaccination might send a confusing message to those who are ineligible, because of age or health concerns, to receive a vaccine. There is special concern that a vaccine requirement might lead parents with younger children to assume, falsely, that they are not able to attend. Secondly, there is a concern that a vaccine requirement may create the false assumption that other safety measures are unnecessary. And, finally, our survey data indicate that the vast majority (if not all) of those attending church are, in fact, vaccinated. Given these three considerations, the team concluded that requiring a vaccine would not significantly change the practical reality of what is already happening, while it has the potential to create a negative barrier to participation for our members who are currently unable to receive a vaccine.

We appreciate and share your concern for the health and safety of our congregation and will continue to monitor the situation and adapt our policy when necessary.

Don't Miss Celebration Sunday, Nov. 7th!

Sunday, Nov 7, 9:30 am in-person, Hillcrest Patio and 11:30 am online service. We are celebrating the culmination of our five-week annual pledge drive 2022 on Sunday, Nov 7th. We've planned a special service around a theme of celebrating our community which includes our current ministers and some ministers from our recent past – Rev. Carolyn Owen-Towle, Rev. Arvid Straube, Rev. Jim Grant, Rev. Everett Howe, and Rev. Löne Broussard. Our special musical guests will be Chris Hassett and Drew Massicot. We hope you won't miss this very special celebration! Want to help us create exciting events?

Help First UU become more of a "happening place" and promote multi-generational, ethnic, racial, and class diversity at First UU, including greater offerings for events-- among members, attendees and families. The Board has created a new board committee under the co-leadership of Louise Titlow and Laura Ball to administer the Outreach and Growth Fund (OGF) that was created as part of the generous Renewal and Growth Fund donated to the church in late 2021. If you have ideas for the committee, please contact us at outreach@firstuusandiego.org. If you are interested in being on the committee let us know by November 15.

First UU Claims Bronze in AIDS Walk Fundraising!

First UU of San Diego came in third place in Faith Based Organizations in the San Diego AIDS Walk 2021. Due to Covid restrictions walkers were free to set their own time and route for the week of September 25. Our Rainbow Action team led by Barbara and Mary enjoyed a twilight walk through the center of Balboa Park's museum area. **This has sparked a monthly Rainbow Twilight Walk on the third Thursdays of each month at 5 pm** for exercise and in-person socializing. **Next walk is November 18.** Contact John Keasler at 619-278-1267 or Louise Titlow at 619-990-5622 for info on the Twilight Walk.

New Listening Circles starting for all First UU'ers

Now is the right time for us to come together to talk and listen to each other. We are offering Listening Groups starting in early November which will be a way to share our thoughts and feelings about what we treasure about our community and what our concerns are. These groups will be facilitated by leaders from our church who have been through training for this program by UUA staff. The process will be open-ended but will lead us toward creating a new **Covenant** statement, a revived **Good Relations** Team and learning new techniques of **Conflict Resolution** for our community. So many church people have told us that we need to begin a process like this and there is no good reason to wait any longer. Sign up **online** or by emailing Rev. Michael at michael@firstuusandiego.org or by texting him at 619-488-7969. If you want to consider being a group facilitator, please say so in your message. If you want to understand the role of a facilitator better, Rev. Michael is glad to discuss the role in more detail with you, just contact him as shown above. We will also have sign-up sheets available at Sunday services. Now is the time to come together for healing and creating a dynamic new movement forward for our community. Please contact any of us if you want to ask questions or just find out more. ~ Rev. Michael Brown, Dr. Omega Burckhardt, Pres. Julie Forest and VP Cora Pendergast

Climate Action: Keep it In the Ground!

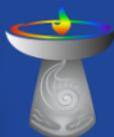

On the eve of the UN Climate Conference (COP26) in Glasgow, the UN has issued a deeply troubling report: "Despite increased climate ambition and net-zero commitments, governments still plan to produce more than double the amount of energy from fossil fuels in 2030, than the amount that would limit global warming to the Paris Agreement level of 1.5°C." Read about the report [HERE](#), and then write a letter to your favorite news outlet, urging delegates to commit to halting the continued extraction of fossil fuels.
