

Pledge Form for First Unitarian Universalist Church of San Diego

Year Round Giving—A pledge is a promise to donate money to the church within a 12 month period. Our gifts are considered “continuous” - that is, once a pledge is made, that gift will continue each year -- but everyone is given an opportunity to revisit the amount of their gift every 12 months. Members are contacted annually depending on what month they have been assigned. Although gifts can be paid in any timeframe or increments, it is very helpful to think of your gift in terms of a *monthly* amount of financial support.
